

MCANJ ANNUAL EDUCATION CONFERENCE
APRIL 29 – MAY 2, 2019
HARD ROCK HOTEL & CASINO

“WE ARE MISSION CONTROL”

Are you ready to blast-off for the opportunity to expand your knowledge of the workings of local government and your job responsibilities, renew acquaintances and make new friends? Well here is your opportunity.

Over the past many months, the MCANJ's Annual Education Conference Committee has been successful in putting together our conference, with the theme, “We Are Mission Control”. This is the ultimate opportunity to learn about and discuss issues, ideas and work that focus on topics of mutual concern. Our theme is centered on Apollo 13; situation in crisis and a team of professionals there with the solution.

For detailed conference information and to register: **CLICK HERE**. Please complete the registration form with the same information you registered your MCANJ membership to assure appropriate membership pricing. After completion of the form, click on **SUBMIT**, and an invoice/confirmation will appear on the screen which includes our signed certification. Print two copies.

If you are paying for your registration by personal check, mail your check along with your invoice/confirmation to our Second Vice President, Eileen Gore, at the address shown at the top of the invoice. If payment is made with a purchase order, the certification has already been approved by the Division of Local Government Services, thus there is no need for a vendor signature. Simply attach our invoice/confirmation to your requisition and submit to your employer for PO processing and payment. If your employer wants to see the DLGS approval, it can be found on our website www.njclerks.org under “ABOUT US”.

In order to take advantage of the membership rate for the conference registration, you must be a currently registered MCANJ paid member. The database will automatically check this once you hit the submit button.

Remember:

- All registrations are done on line.
- There is no onsite registration.
- Registrations and payment must be received by March 18, 2019 to take advantage of the discounted early rate.
- Registration closes completely on April 1, 2019.
- Payment must be received no later than April 12, 2019. If you have not paid for your registration by this date, you will not be able to attend the conference.
